

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

The public deserves diversity in our media, since that is our main source of information. DO NOT eliminate or weaken the cable ownership cap! Protect the people, not just the money.
